

Trevor Tanner

Irvine, CA 92614 | (949) 355-3682 | trevortannerdeveloper@gmail.com | <https://github.com/trevtanner>

Looking to apply my formal education and extensive working knowledge to emerge and grow into the software development field

EDUCATION

Santa Monica College, Santa Monica CA

Associate of Science Degree, Computer Programming, expected Winter 2021

EXPERIENCE

TT Web Development & Design

Irvine, CA

Full Stack Developer

3/2019 - Present

- Write and debug all code for contracted projects and personal website
- Make use of Version Control Software such as GitHub to manage project codebase
- Actively engage with clients on needs for their personalized websites with weekly contact
- Test code on local environment using XAMPP and Linux servers
- Publish two websites using Laravel Forge, DigitalOcean, as well as G Suite for email servers
- Focus on full-stack web development using HTML, JS, CSS, and PHP languages

Spectrum (Charter Communications)

Los Angeles, CA

RSC Representative III

05/2020 – 2/2022

- Collaborated with technicians to troubleshoot cable, internet, phone equipment in real time, as well as electronic accounts during installations and service appointments
- Successfully completed perpetually changing deadlines for arrivals while meeting quota standards for call efficiency
- Instrumental in improving team metrics and raising the ranking of the team from 6th to 4th nationally
- Maintained an active line of communication with other colleagues, managers, and contractors daily resulting in the highest on time arrivals and lowest call holding times in my area of management
- Selected from department to represent the company as a recipient of the 2020 Spectrum Superstars award and 2020 Charter Champion Appreciation Club

RSC Representative II

01/2019 - 05/2020

RSC Representative I

07/2018 - 01/2019

Tama Lacrosse

Los Angeles, CA

Western Regional Sales Representative

7/2017- 7/2018

- Responsible for developing sales contacts in the lacrosse community in the southern California region
- Create team sales proposals for equipment, uniforms, apparel, and field for 10+ schools and youth athletic clubs
- On site lacrosse sales and service at lacrosse tournaments and festivals

Store Manager

Colorado Springs, CO

1/2015 - 7/2017

- Managed personnel of four employees including hiring/termination, scheduling, and performance reviews
- Determined inventory levels and managed the purchasing/receipt/transaction workflow
- Collaborated with suppliers to evaluate and order products appropriate for the lacrosse market
- Accountable for physical inventory management counts, adjustments, and shrinkage analysis on a monthly and yearly basis

SKILLS/CERTIFICATIONS

- Proficient in Laravel Framework, PHP, and MySQL
- Well-versed in HTML, CSS, C, JavaScript, Visual Basics, Vue.JS, React.JS, Linux OS, and website deployment
- Knowledgeable in Ethereum Virtual Machine (EVM), Solidity, and Truffle Suite for building and testing
- Entry Level Programming Department Certificate - Santa Monica College
- Trained with MS Office Suite, CSG Workforce eXpress and ACSR and Retail point of sale systems Lightspeed
